LITIGATION PRACTICE: OUR CUTTING EDGE

- INTERNATIONAL EXPERTISE: As business becomes more global, so do the disputes spawned by it. Clients increasingly become involved in cross-border disputes and disputes in unfamiliar jurisdictions. Our global litigation practice offers unrivalled expertise in the management and coordination of international disputes. We provide excellent advice and service based on the quality and commitment of our lawyers. We have assembled a formidable team with considerable experience of managing and resolving disputes. We conduct cases at all levels of courts and tribunals.
- UNDERSTANDING OUR CLIENTS' NEEDS: We make it our practice to have a clear understanding of our clients' objectives and to chart with them a dispute resolution strategy which best meets their needs. Successful litigation and dispute resolution depends to a large extent on good judgment, skillful negotiation and tactical flair. We do not shirk from being tough if such an approach is needed. However, we do not engage in posturing and pointless sideshows for their own sake.
- DISPUTE AVOIDANCE AND SPEED: Everyone wants to avoid disputes if possible. We advise clients on how to structure dispute resolution procedures and how to minimize and manage the risk of disputes occurring. We are not defined by our problemsolving skills, but our ability to guide clients through disputes. Our resources and experience enable us to move quickly and decisively. We have particular expertise in applying our skills to help resolve disputes in complex or unusual cases for which special thinking and management are called.

- Following its recognition as the firm of choice on banking and finance transactions, Aina Blankson represented a South African bank when questions on the rights and obligations of Parties under a private placement arrangement resulted in litigation;
