RESEARCH & DEVELOPMENT

The Magic Behind Our Brand

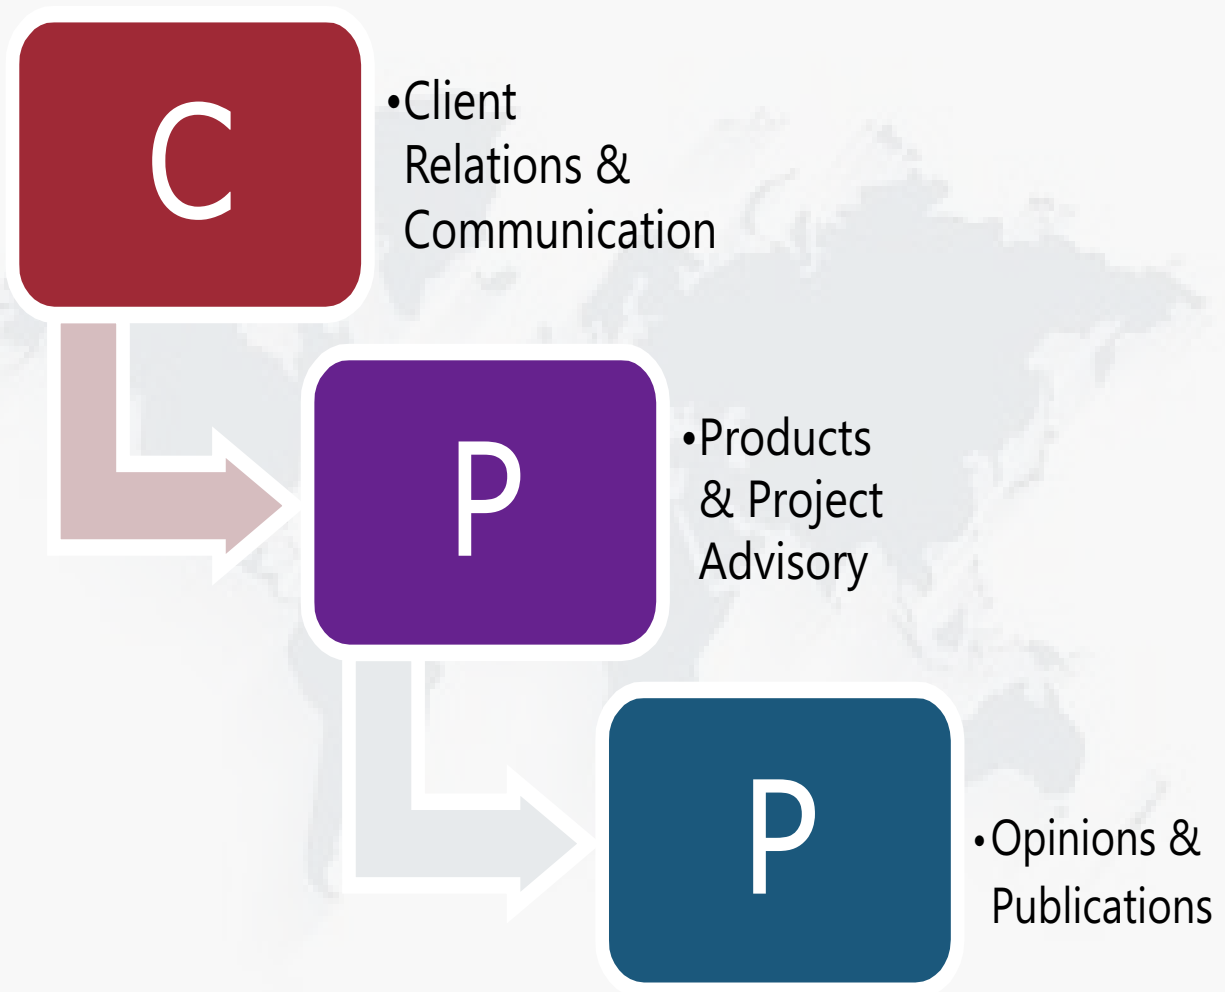

**RESEARCH
& DEVELOPMENT**

Our Essence

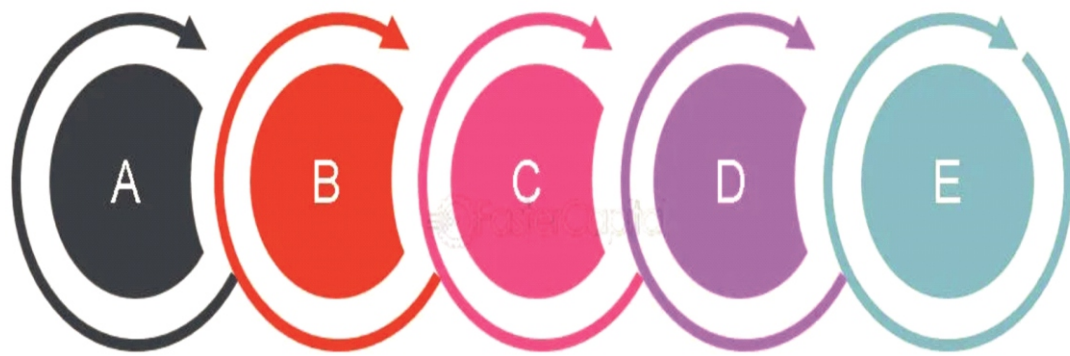

Though Aina Blankson is widely known for its unique style in law practice, our success stems from our world-class innovation, creativity and visionary leadership. We are consistently recognized as leaders among our peers for professionalism, innovation and continuous distinction in the environment in which we compete.

Quite apart from our state-of-the-art serene offices, we remain forever restless in our relentless search for improvement and growth. Our research & development team remain the brain box for our detailed analysis of court cases in different jurisdictions, opinions for cross-border transactions including our cutting edge advisory which the Aina Blankson brand has become associated.

For administrative ease and efficiency, the Aina Blankson Research and Development operation is focused on three primary areas:

CLIENT RELATIONS & COMMUNICATION

Developing New
Products or
Services

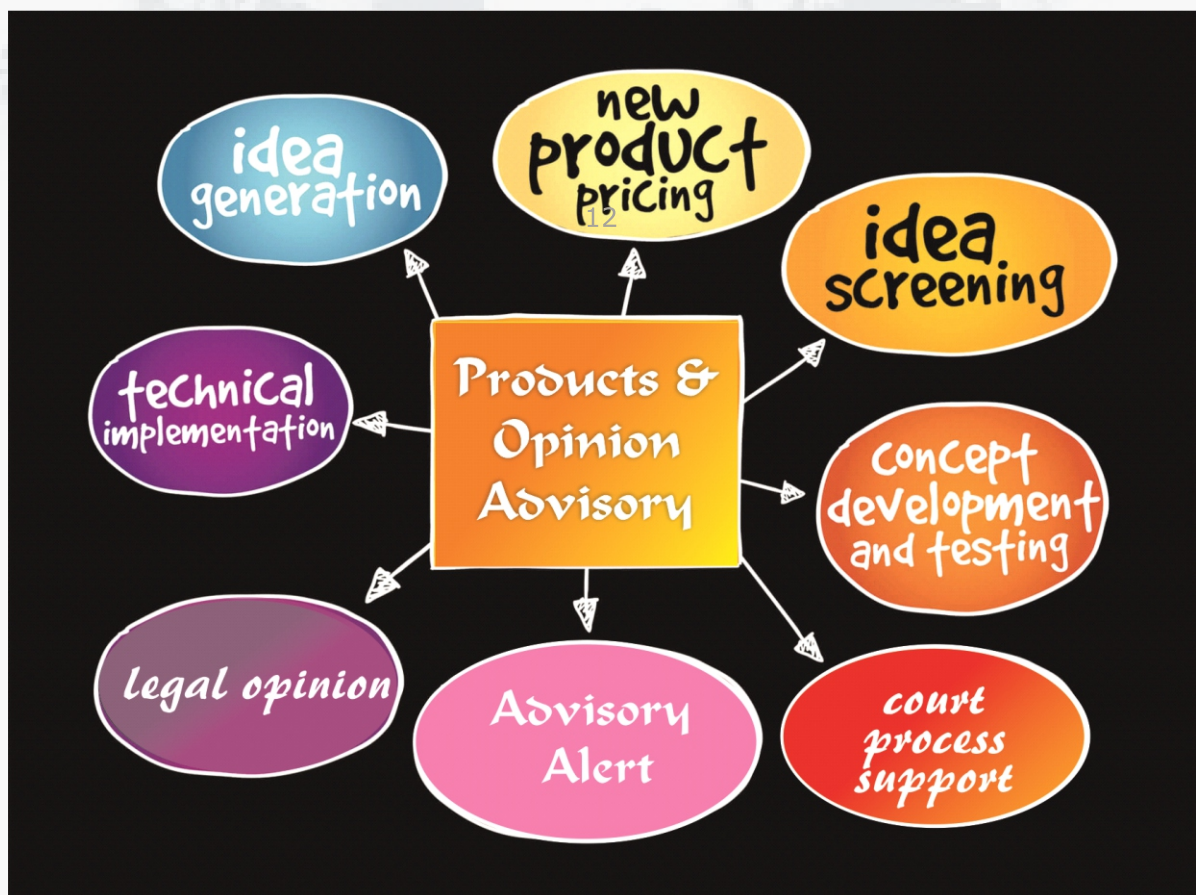

Expanding Into
New Markets

Finding New
Ways to Reach
Target Audience

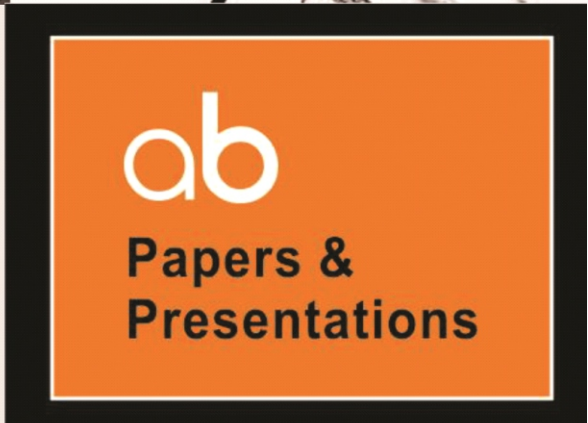

Building
Strategic
Partnerships

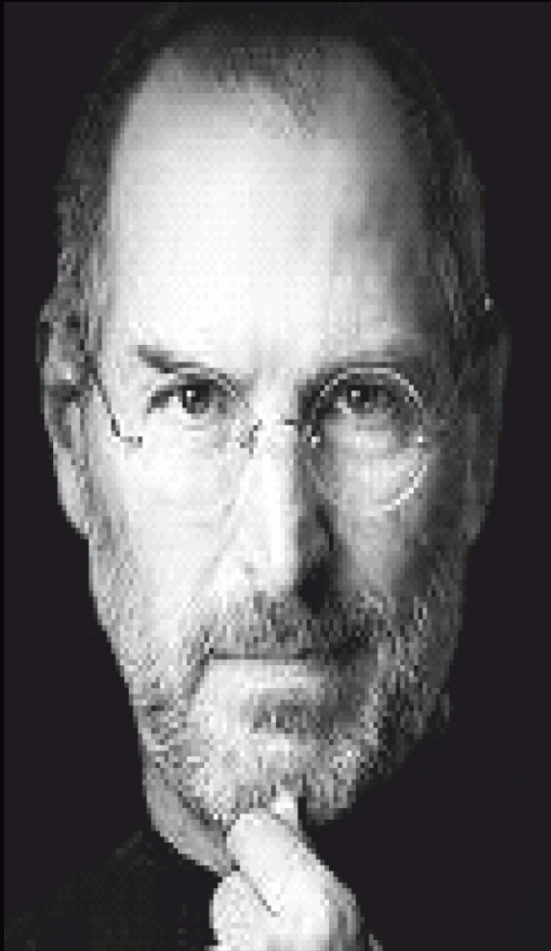

Investing in Sales
and Marketing
Efforts

PRODUCTS & PROJECTS ADVISORY

OPINIONS & PUBLICATIONS

"The doers are the major thinkers, the people that really create the things that change the industry are both the thinkers and doer in one person".
