## PROFESSIONAL COURSES

**W**ith a wide array of professional courses, AB Academy provides adequate training opportunities for all members of Aina Blankson including member firms of our parent company, Aina Blankson Global. Our range of courses assist staff members to discover their hidden skills and talents which results in efficiency, greater competence in their field and enhanced prospects for progress. It is hard to deny that it's worthwhile investing time into getting our staff members adequately qualified and prepared to meet the demands of our demanding work environment. Overall, benefits of getting qualifications gives members of the firm an advantage in many aspects of life.

At Aina Blankson, we believe that continuous professional development is an important step for professionals looking to further their career, progress their skills and continue to be challenged in their role. With the right professional development, our staff are more effective, efficient, and knowledgeable to meet and exceed clients' expectations.

The focus of our professional courses is divided into two broad categories:

### Professional Programs

- Law
- Finance and Tax
- Technology
- Oil & Gas
- Maritime

### Leadership & Management Programs

- Thinking and Leadership
- Time and Project Management
- Public Speaking & Decorum
